22 nd		Rev Dick Gray - Communion 1st Sunday in Lent			
March 1 st		Rev Andrew Norman Friendship Lunch			

FEBRUARY

February is a time for love, reflection, and new beginnings, reminding us to cherish our relationships and embrace the warmth of connection. It's also an opportunity to set new intentions, and focus on personal growth as we anticipate the arrival of Spring.

February is often seen as a month of love, highlighted by Valentine's Day. It encourages us to value our relationships and express affection. This month serves as a reminder that love can be found in many forms, whether between partners, friends, family or even strangers.

This year Lent begins in February and it is a time for self reflection. February is also a time for setting out new plans. It symbolizes a fresh start, allowing us to pursue our goals with renewed determination. As one quote suggests, "February is the month of lasting change. January is for dreamers... February is for doers."

Finding Joy in the Present

Despite its cold weather, February can be cozy and inviting. The winter is fading, and the days and light are lengthening. Bulbs are peeping through the cold earth, ready to start their transformation. February encourages us to find joy in small moments, and appreciate the warmth of our connections and relationships. As one saying goes, "In the coldest February, the best thing to hold on to in this world is each other."

In February, there is everything to hope for and nothing to regret. It is short, but it is filled with lots of love and sweet surprises. Every day is a chance to begin again.

Let these reflections guide us through February, reminding us to embrace love, seek new opportunities, and find joy in everyday moments.

Let us go forward in faith, pursuing our hopes and dreams. Let us open our doors and hearts, warmly inviting everyone in.

Our 2026 motto is to continue to share the love of God in all we seek to do in his name.
